

Official Permian Basin Tent Provider

Mahaffey is very excited to be the official tent provider for the 2021 Oil Show. This is our ninth season in a row, and we couldn't be more honored to serve all of our past customers, along with some newcomers this year. We go the extra mile to provide standard and customized installations. Whether you need the standard 20'X20' frame tent with walls, 66'X100' clearspan structure with 20' high walls, or tops with custom graphics, Mahaffey's got you covered.

In order to make this an effortless process, we have attached the official order form. Please look it over and email your order directly to the email address provided on the sheet. If there is something that you require which is not shown on the form, do not hesitate to call or email with questions.

Once again, we look forward to making this year's show a success for you and your company!

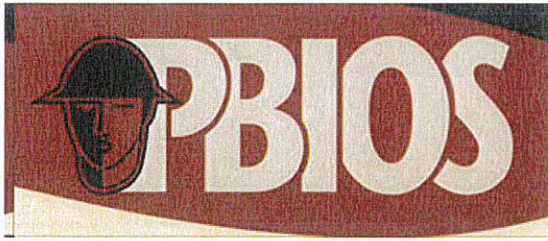

Sincerely,

Kristy Catlin
